

Part 32 & Part 64 Accounting Seminar

Separations & Access Seminar

2018 Financial Seminars

JSI invites telco CFOs, accountants, and other staff who need to understand the latest rules affecting their companies' balance sheets and cost studies to attend its popular Part 32 & Part 64 Accounting and Separations & Access seminars. The sessions run consecutively in September in Nashville, and attendees can take advantage of a reduced rate by signing up for both seminars.

Information about seminar topics, CPE credits, hotel reservations and online registration are on our [website](#). For additional information, contact [Leah Yoakum](#) at 301-459-7590.

Accounting Seminar

Sept. 25

The seminar will look at changes to the Part 32 accounting system, the FCC's increased regulatory scrutiny of the Part 64 allocation mechanisms, and ongoing USAC-OIG audits.
