EXECUTIVE PATHWAYS

Inspiring Leaders, Igniting Growth.

The Executive Pathway Conference equips general managers and their teams with management practices that enhance leadership and drive organizational growth.

Join us for a day of impactful sessions on HR best practices, financial management, performance management, industry trends, and key updates. Through expert-led workshops, interactive discussions, and peer networking, attendees will gain practical solutions to tackle daily challenges with confidence.

This event is an ideal space to build connections, exchange ideas, and prepare for the opportunities 2025 will bring.

We encourage General Managers, CEOs, Managerial Teams, HR Leaders, and Operations Staff to attend.

Save the date and get ready for an inspiring experience!

Chaos and Complexity - Looking at Employer/ Employee Issues in 2025

Jo Ellen Whitney, Dentons Davis Brown

This has been a particularly complicated year for employers with new rules, new guidance, court challenges to the rules and a general sense that we all accidentally got on a roller coaster that has not had a recent safety inspection. From DOL changes (including a state/federal standoff), non-compete issues, the NLRB and increasingly complex issues involving employee safety this session will provide updates on current laws, the status of challenges and changes as well as policy considerations.

General Session

Understanding and Measuring Your Financial Condition

Andrew Randol, Facilitator, Panora Fiber

As we face increasing competition in our industry, this is the time to understand and evaluate your internal and external costs so you can be more competitive. This session will feature three experienced leaders who will share their financial expertise on developing and using useful financial benchmarks on such items as costs per household passed, incremental costs per drop, internal costs by program, and more. This session will help you determine whether to participate in future expansions, quote new services, pursue new business opportunities, and improve your internal efficiencies.
