

CYBERCON VI

SPONSOR BENEFITS

MAY 19-20, 2021

Are you a cyber security expert who would like to be in the forefront of attendee's minds?

Sponsoring CyberCon VI will give you visibility across the telecommunication industry in Iowa. This conference is a great opportunity for you to showcase your support for expanding the cybersecurity sector. In addition, networking opportunities will be abundant during the networking reception, breakfast and breaks in between speakers. You will have a presence on our website and across social media, in addition to on-site visibility.
